About DENNIS DOYLE

Dennis was a successful entrepreneur whose life impacted tens of thousands of lives through one of the many businesses he founded in the commercial real estate business including Welsh Companies and Wildamere Capital Management, and philanthropically through Hope for the City (now MATTER) and the generosity of his time, finances and abundant opportunities to others. He leaves behind a rich legacy of business, faith in God and care for the most vulnerable in MN and the world.

A private burial will take place at Lakewood Cemetery.

"EACH DAY [THROUGH MATTER] MY LOVE AND UNDERSTANDING OF THE POOR GROWS. I HAVE RECEIVED SO MUCH MORE THAN WHAT WE HAVE GIVEN. ALTHOUGH WE SERVE OVER 10,000 PEOPLE PER MONTH I FEEL THAT I AM THE GREATEST RECIPIENT."

— DENNIS

Donation & Remembrances

With the passing of Dennis, the world lost one of its most ardent advocates for the poor and disadvantaged. Yet his legacy will live on through MATTER, whose very DNA reflects Dennis' belief that people matter and every single one deserves the chance to live a full and dignified life. The family prefers donations and

remembrances to go toward
